

MOMA NEWS

Happy New Year! Hope your 2010 is starting out well. What an interesting time to be in the medical profession.

As reported in the last newsletter, the attendance at the “annual” CME program was very good as were the speakers. Now that we are reorganized, we plan to have the CME programs on an annual basis again. This year the dates will be September 9th through the 12th. The location has been changed for a number of reasons. Bozeman will be the town and the Hilton Garden Inn will be the location. Look for notices as we near those dates. We sincerely appreciate those of you who helped by getting speakers or serving as half-day hosts to introduce speakers. We need help in both areas again for this conference. If you have ideas or have a speaker you can arrange, please contact Kristina McComas at kmccomas@billingsclinic.org.

We are still hoping to be nearly paperless in the near future. If we have your e-mail address, you are getting this electronically as a trial (although we are still probably sending snail mail to everyone). If we didn't have your e-mail and you got this newsletter by “snail-mail” please get your e-mail address to us. You can send a message to Don Grewell at dgrewell@billingsclinic.org. If you wish to opt out of receiving the newsletters let us know that as well.

The Billings Gazette did an article about Osteopathic medicine recently. You can look up the Billings Gazette website and check out Osteopathic Medicine to view the articles. The blog discussions are interesting as well. We will see if it can be posted on our website as well.

If you are a previous dues-paying member and we did not get your dues this year, you will receive a notice. Also, any of you who would consider joining the association but have not yet done so, paying the \$100 and getting us your information would be greatly appreciated. Dues paying members do get some discount on our CME meetings. We do manage to break almost even on the cost of the CME meeting between dues, a donation from the NW Osteopathic Foundation, and some CME meeting funds. Dues for the 2010-2011 year will be due July 1, 2010 and can be sent to Don Grewell, D.O., Treasurer, 5860 Autumnwood Dr., Billings, MT 59106.

If anyone has news for upcoming newsletters, please e-mail one of the officers.
